The Plainfield Church Women known as PCW at the Plainfield Community Baptist Church is the Women's Group. The PCW was first organized as the Ladies Aid Society on July 24, 1902 at a meeting held in the Vestry. The purpose and mission of the Church Women forming an organized group was to better "aid the Church spiritually, financially and socially". Our PCW meetings and activities are open to everyone and we invite all members and friends of our Church and community to join us for our activities and meetings.

We continue to work together in fellowship, outreach and service. We hold meetings from September through June, and alternate the time between day and evening.

Each year we help support the work of the American Baptist Home Mission Societies and give donations to help one or two domestic organizations and one or two international ministries.

As part of our outreach the PCW often provides the receptions at our Church following funerals, burials and memorial services. The food is prepared, served and donated by members of our PCW. In the spring of 2016 the PCW provided two wedding receptions (food, flowers and cake).
